

WHO WE ARE

Al Ghazali University offers a unique blend of traditional and contemporary education, providing students with a well-rounded learning experience that combines the best of both worlds. As an institution, AGU seeks to realign the core value of research and development to produce highly competent scholars of Islam in a variety of disciplines. Our curriculum and teaching pedagogies are designed to meet the futuristic goals of the Ummah at large.

Our Vision

Our vision is to cultivate leaders who can address the unmet challenges of the Ummah, the world, and humanity, while remaining true to the Islamic scholarly tradition and producing intellectual, divine and faith-based leaders.

Our Mission

Our mission is to establish an institute of excellence that offers a unique blend of traditional and contemporary education, providing students with a well-rounded learning experience that combines the best of both worlds.

The AGU Advantage

- ▶ Renowned faculty with expertise in Islamic studies & modern fields
- ▶ Innovative curriculum integrating modern media discourse
- ▶ Student-centered, active learning approach
- ▶ Real-world insights through academic visits and internship placements
- ▶ Personalized mentorship for career success
- ▶ Foundation & English Bridge Programs designed to ensure a strong academic foundation

BACHELOR OF EDUCATION (B.ED.)

(Program Brochure)

B.ED PROGRAM OVERVIEW

The Bachelor in Education programs at Al Ghazali University distinctively aims to nurture scholars capable of undertaking leadership roles in academia amid the AI revolution. It further envisions a significant transformative innovation in the existing education system and a revival of the true spirit of disruptive innovation that education is meant to bring about, and that originates from/dates back to the Seerah's times.

THE CURRICULUM & PEDAGOGY ARE DESIGNED SPECIFICALLY TO:

- ✓ Nurture the ideal attributes and traits of a Muslim education and learner; and infuse the learning spirit needed to realize the full potential of our nation.
- ✓ Revive the Prophet Muhammad's (P.B.U.H.) immersive approach to teaching and learning
- ✓ Develop educators who can leverage Generative AI to enhance teaching and learning
- ✓ Provide educators with relevant research and teaching aids and resources so they may improve their students' academic performance.
